Renaissance in a Modern Dubai*

## Vivez la Renaissance! Experience the World of Renaissance!

The eclectic Golden Age architecture conveys artistry and delicate designs that synonymously speak of authentic romance, culture and pure European beauty. Well-manicured grounds, lush landscapes, classical-inspired country estate, and intricate interiors – these Renaissance elements can now be found in your home. ACES Château promises to bring you sophisticated symmetrical facade of details for your next home. Its plush atmosphere creates a harmonious balance of comfort, leisure and poise while it offers you contemporary lifestyle in the beautiful city of Dubai.

## La ville où les rêves impossibles se réalisent The city where impossible dreams happen

Considered the Pearl of the Middle East, Dubai’s vitality has always boasted entrepreneurial and cultural spirit, allowing it to accelerate its pace of diversification. The cosmopolitan metropolis represents its past and present – from the timeless equanimity of the desert to the many innovative large construction projects that makes the city a haven of skyscrapers and high-rise buildings.

Dubai boasts its overseeing creation of lavish tourist’s facilities, kaleidoscope of appeal and state-of-the-art innovations. The city is an authentic sanctuary of luxury lifestyle, modern residential spaces and well-designed commercial establishments that turns ordinary living into an extraordinary dynamism. We at ACES Château believe that you deserve to be at home – where prosperity meets comfort, where your vessel of dreams becomes a vessel of reality.

Dubai City

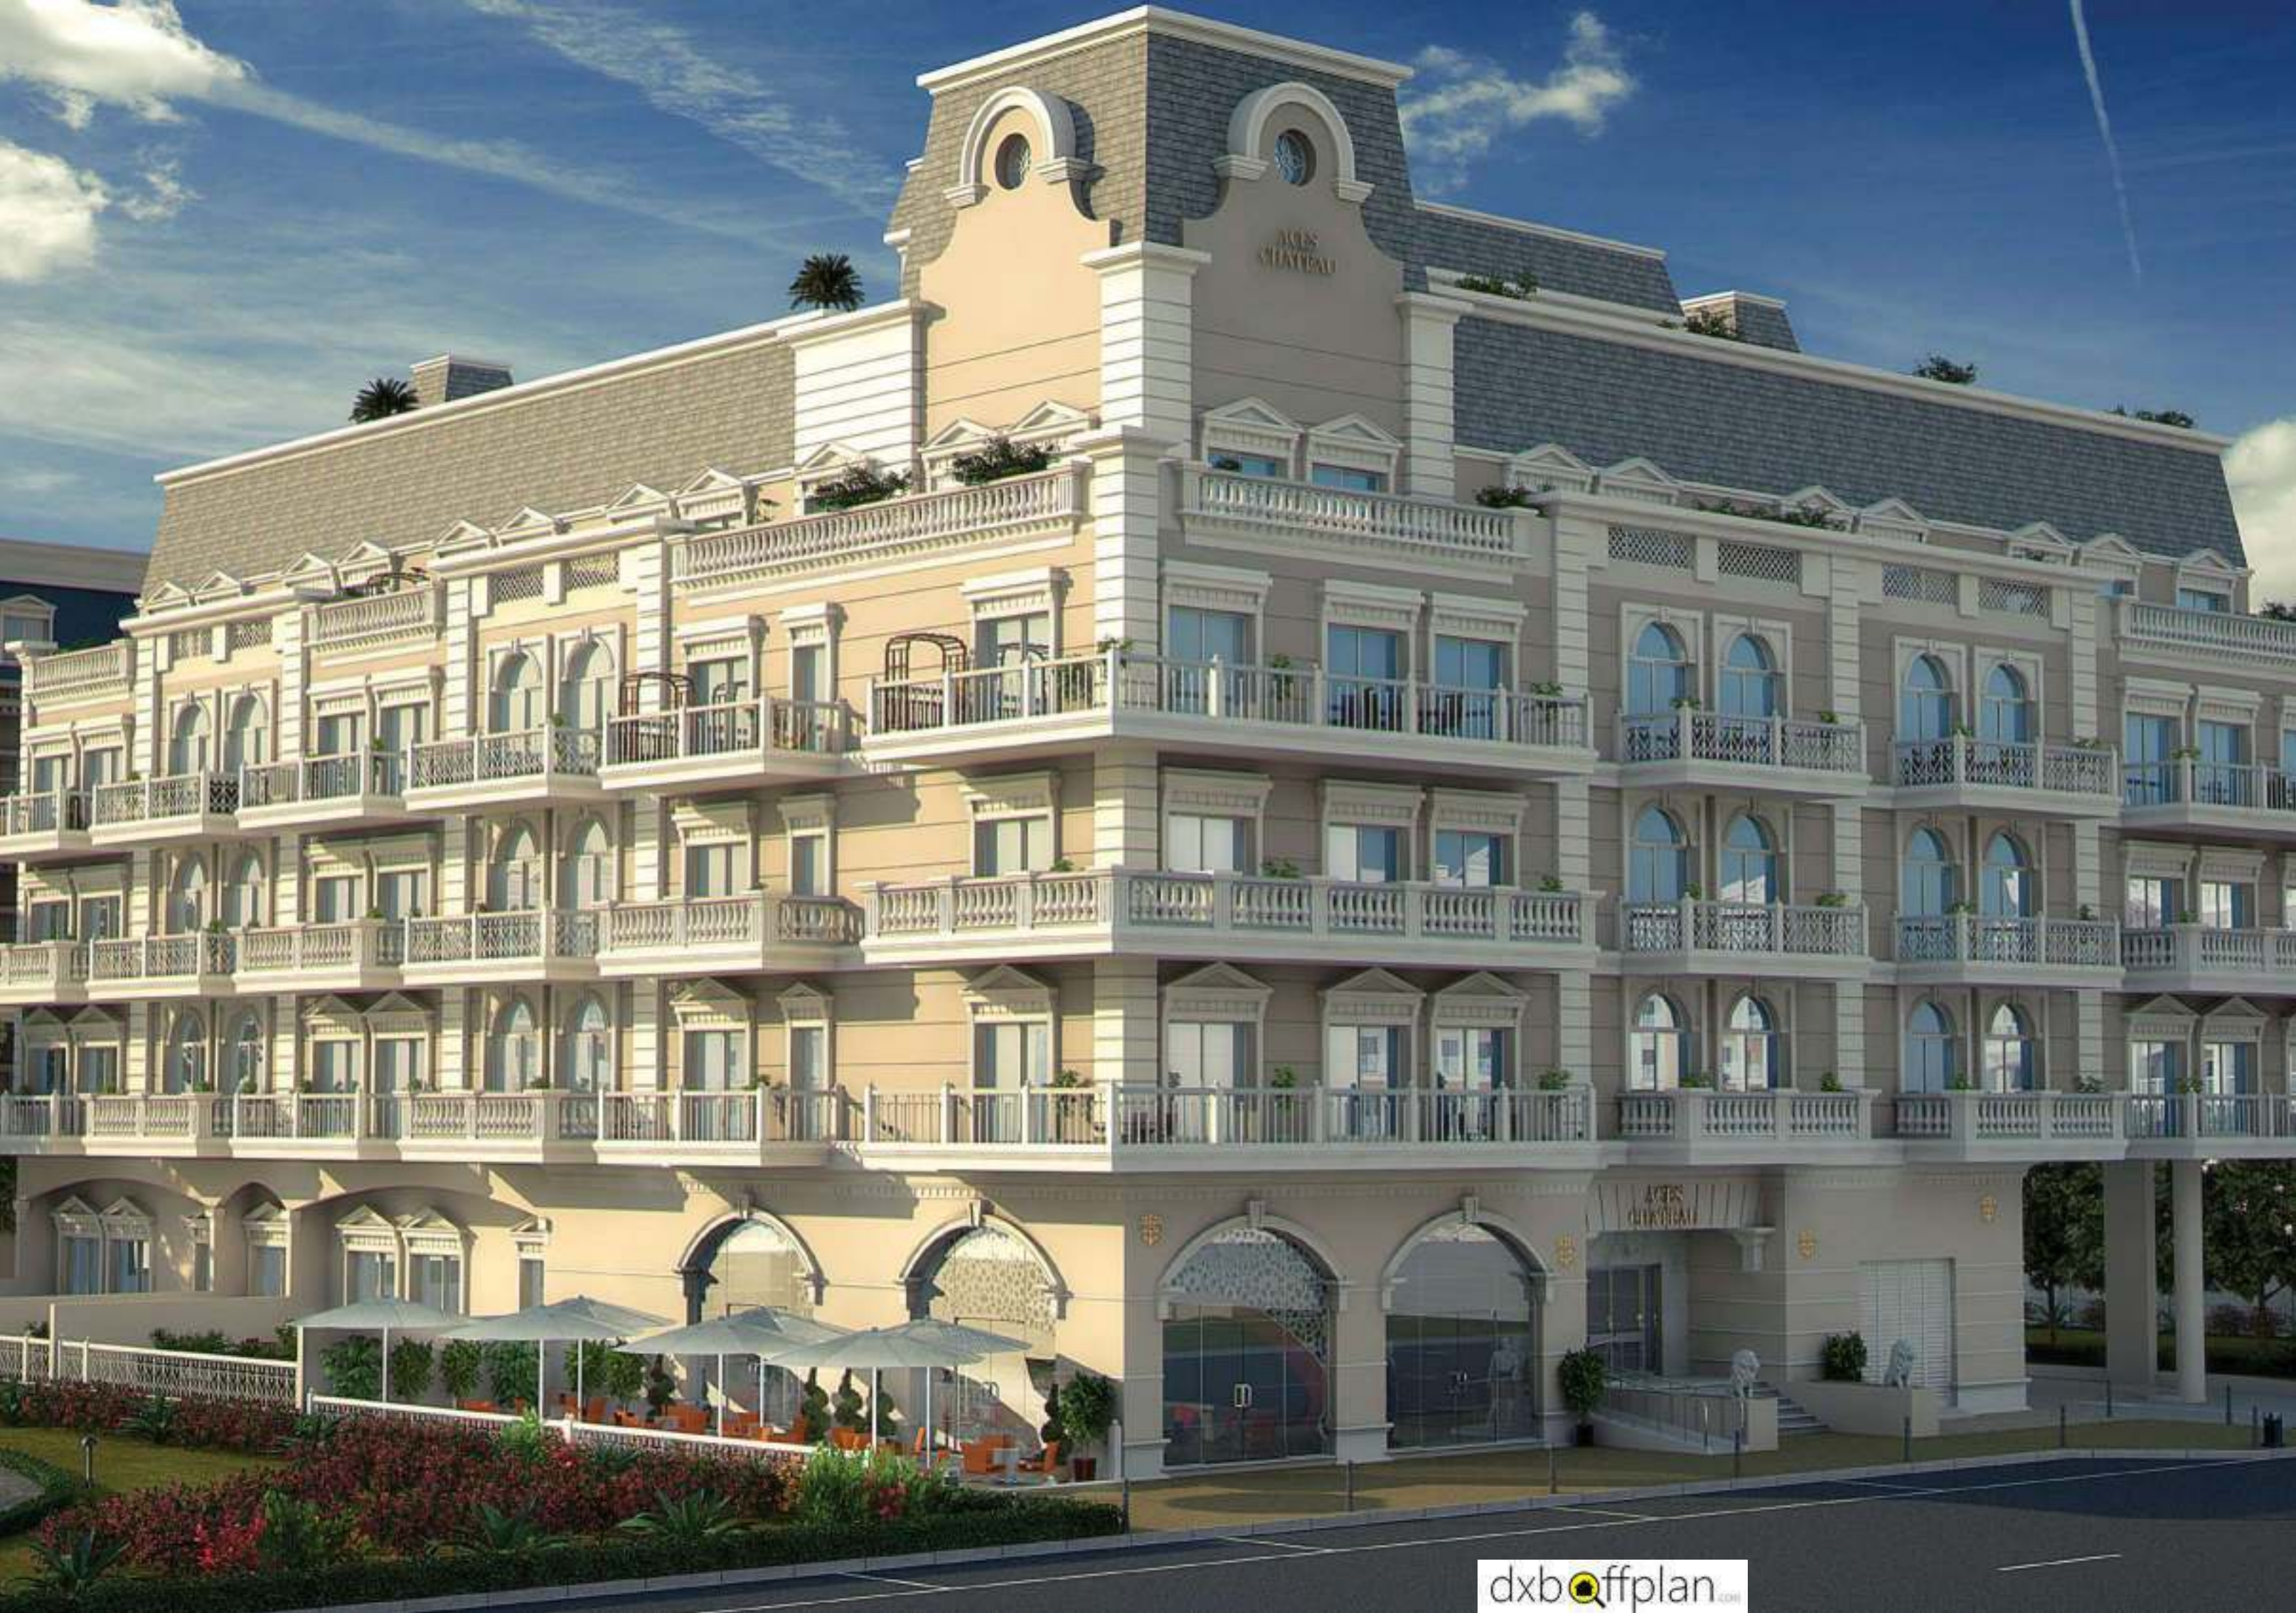

*"ACES Château is a classy yet modern environment that represents a mirage of two influences bound to bring a change in perspective imposed by various scientific and innovative ideas."*

## Le Hall d'Entrée The Entrance Hall

Welcome to the age of renaissance - at Aces Château, an estate residence that has been built and designed to the highest specification, paying tribute to its many heritage features and materials.

The entrance is of particular note that is developed with its distinctive private atmosphere and extensive use of exquisite Italian marble. Inspired by the renaissance period, the entrance provides residents and their guests with a rich and sumptuous welcome and a space in which to relax and enjoy the unique atmosphere.

From the ornamental marble floor to its patterned and decorative ceiling, every detail of this majestic entrance has been meticulously crafted to showcase the renaissance style. On arrival, residents will be welcomed from a member of security staff who ensures privacy and security all at the same time.

## Les Couloirs The Corridors

Just right after the entrance, grand corridors decorated with italian marble flooring will allure with a very inviting environment, as if residents were walking through luxurious yet very sensuous pathways. Embedded with glamour, the corridors will not just serve as narrow passages, but will also draw the residents back to the memories of the golden age.

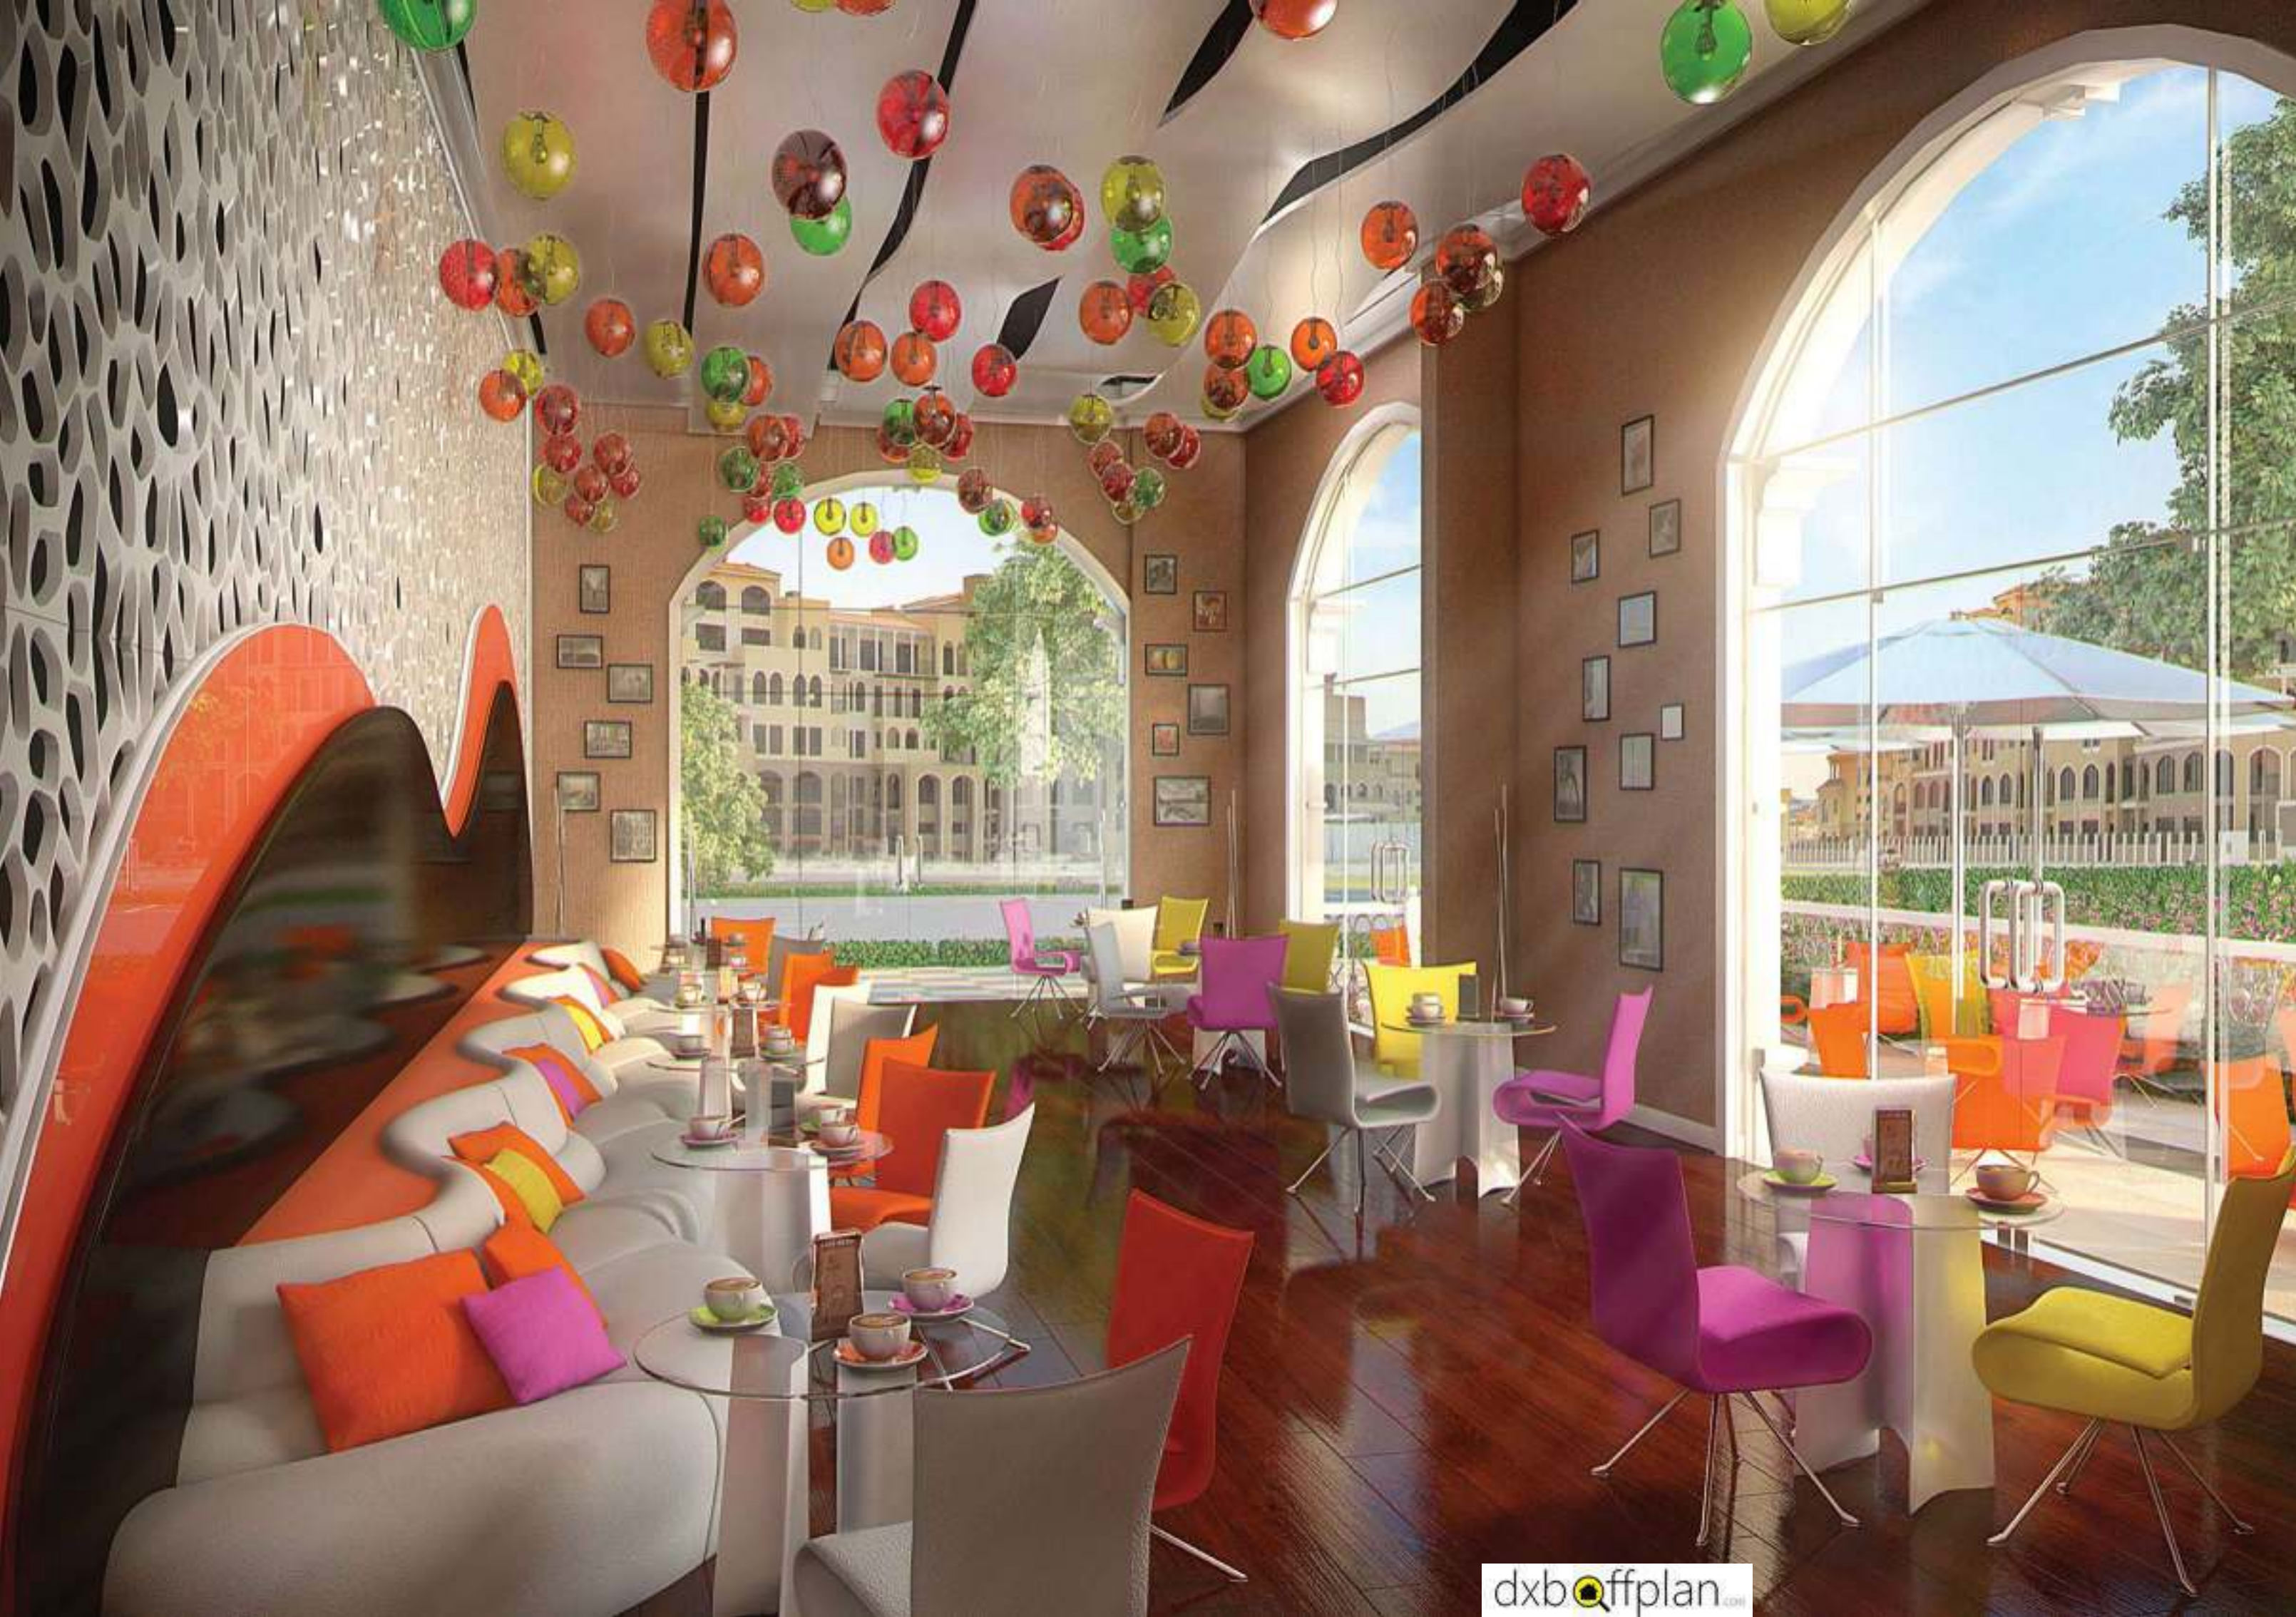

## Services et Aménagements Services and Facilities

Complete rejuvenation for body, mind and soul converge beautifully in ACES Château's amenities. Comfortable lounge areas are available on the roof top. If you are looking for a little more recreation, enjoy the swimming pool's invigorating sparkling waters or choose a more relaxing Jacuzzi to soothe you down.

## Les Espaces The Spaces

One size doesn’t fit all. When it comes to choosing the perfect space you will call home, we offer a diversity of floor plans to fit to your lifestyle.

ACES Château’s **studio apartment** is a perfect choice for individuals who are looking for a personal space that is especially designed to maximize space and furniture in one room. Satisfy your eyes with the view of the city from your balcony or spoil your green thumbs on your personal garden. It is a haven for both peace and privacy.

The **spacious one-bedroom apartments** offer the ideal solution for small families and starting individuals who prefer a division between their personal space and little getaway. This type of space generally comes with a private garden and/ or balcony for personal relaxation. You can also create your own personal working space at home with the study room or customize it to be your little one’s sweet haven. Our most spacious one also offers a laundry-cum-storage room in which you can make use for a different purpose.

Welcome home to your **2-bedroom apartment** of style and beauty. ACES Château takes pride on developing a floor

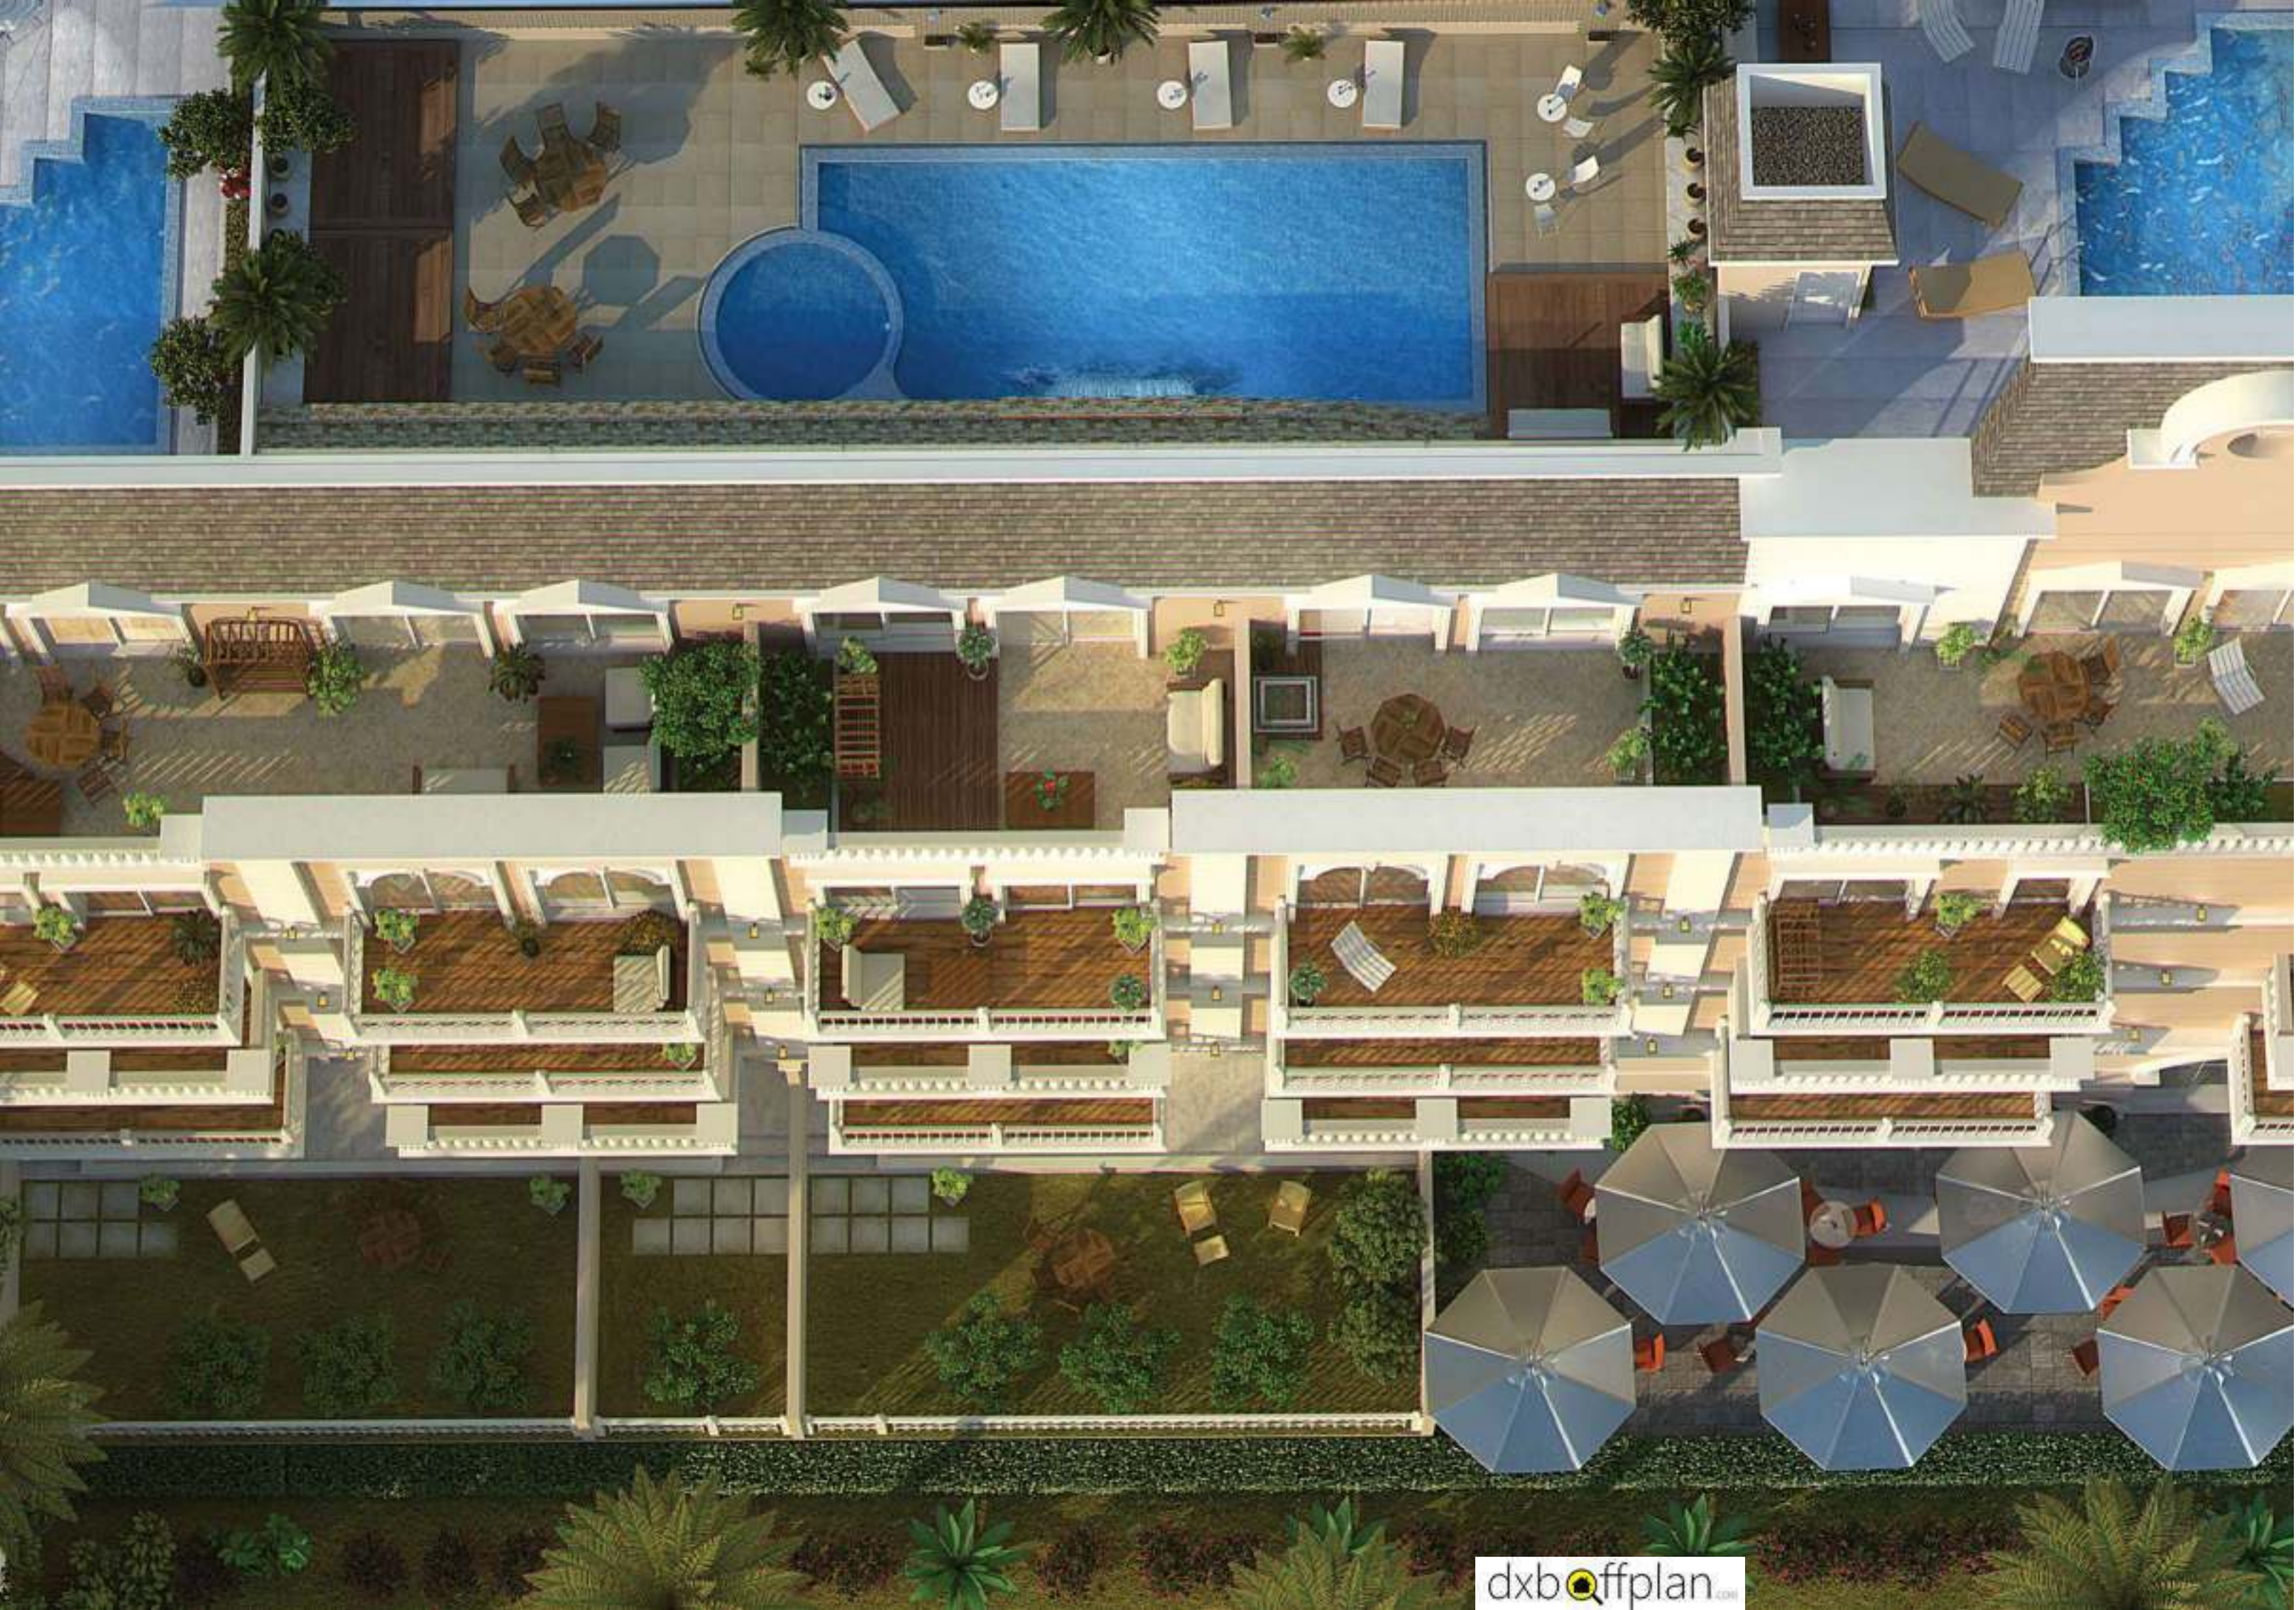

plan suited for families. Feel the essence of a private working space in your home with a study room. Other unit include a laundry room where you can equip with essentials to keep your clothing neat and pleasant.

Our **3-bedroom apartments** speak of high class and luxury. Special attention to details is showered to their interior with contemporary ideas mixing the classic era touches the feel. Augmenting your senses and maximizing your lifestyle, these spacious apartments in Aces Château are bound to captivate families who are looking for a bigger personal space.

### The Royal Suites

Your throne, your magnificence, your kingdom... ACES Château promises top luxury on an upscale living. Call one of our 3-bedroom penthouses your own and experience the life of a royalty in your own personal space. Take a dip in your uniquely tiled private pool as it offers you a dramatic ambiance of both fun and relaxation or be one with nature on your small garden by the roof. Allow your sense to experience extravagant modern living with the gleaming lights of the city in ACES Château’s royal penthouses.

## Les Chambres The Bedrooms

Your bedroom is the quintessence of a comfortable living. Get a taste of your own suite and wake up to the lush ambience especially designed to bring you the magnificent bedroom that sets the real trend for class, quality and luxury.

With its smooth gloss, intricate surface and large french windows, ACES Château's bedrooms will ease you into a bright new day and redefine affluent living with exquisite majestic views across the city.

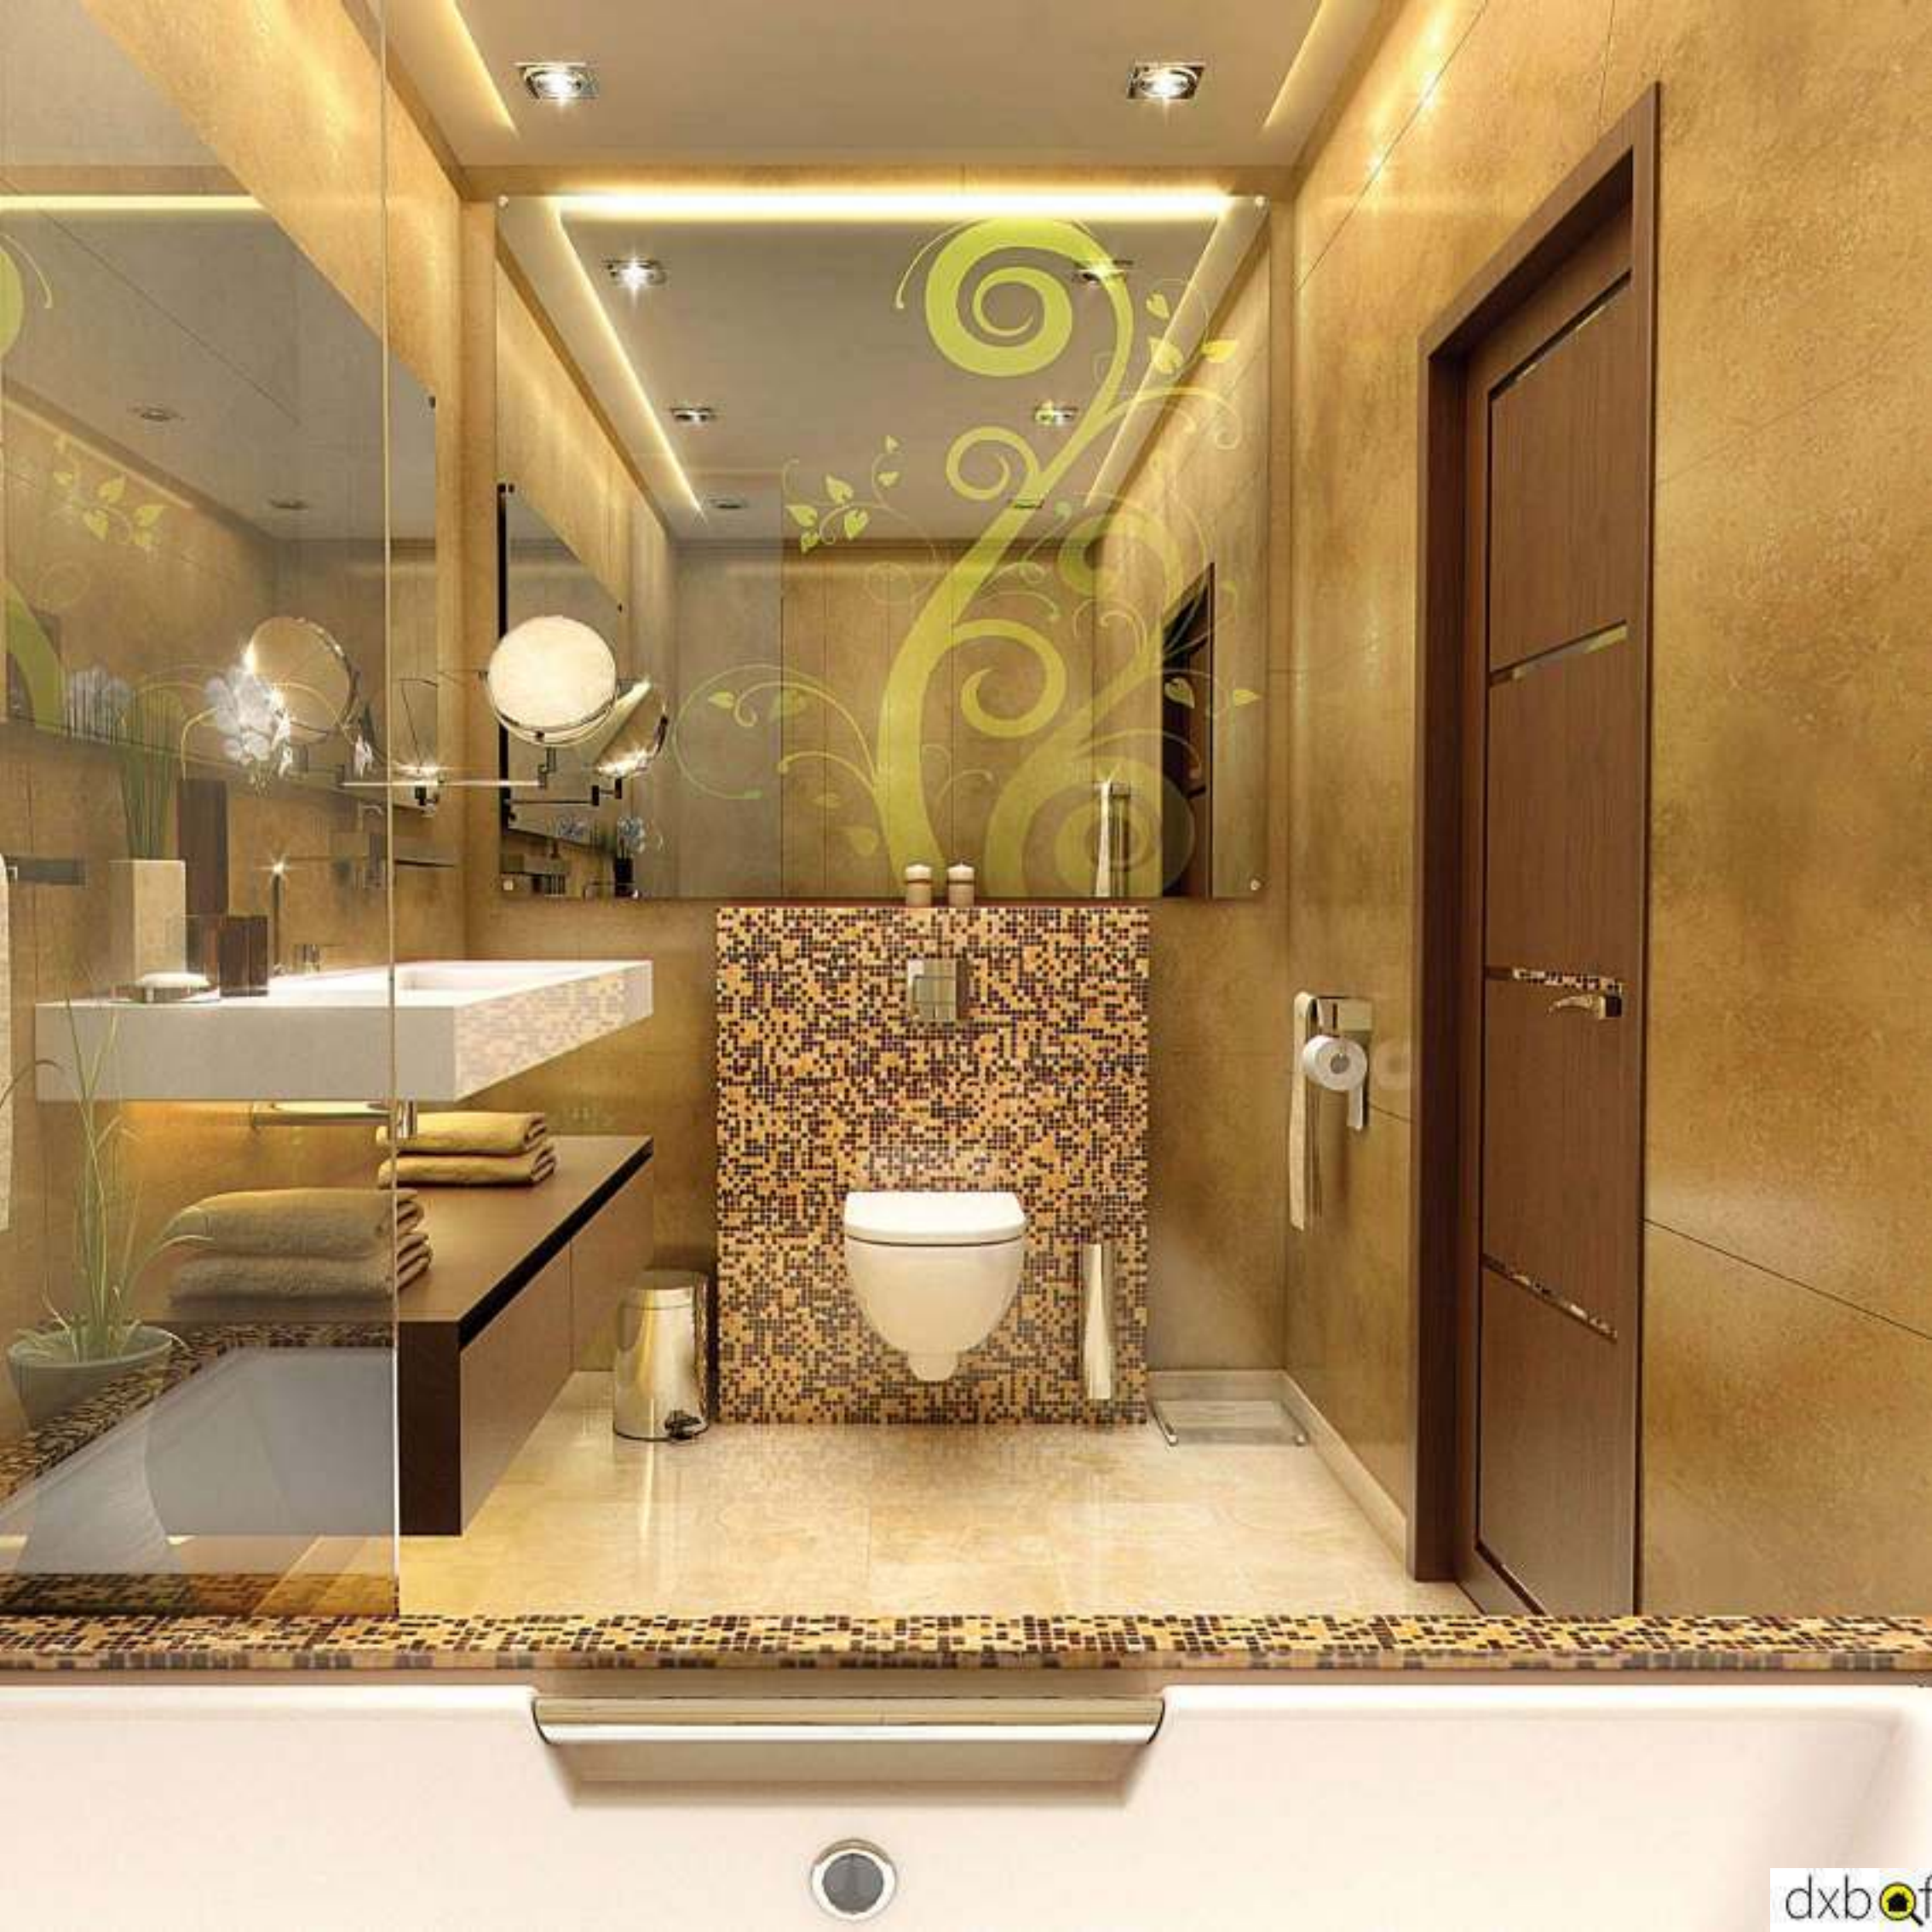

## Les Cuisines The Kitchens

Some styles radiate a quality of timeless elegance. A classic look was reinterpreted with a keen eye on contemporary functionality yet with a soothing appeal. The mixture of hues in our kitchen represents a diverse yet refined passion for a cooking space.

It encapsulates appropriate beauty and exquisite furnishing that combines the ideas from the past alongside with the modern designs of today, resulting in a captivating tension.

## Les Salles de Bains The Bathrooms

ACES Château features a bathroom of functionality and vitality that speaks relaxation and refreshing ambience to enliven and lift your senses. Immerse yourself in a half-filled bathtub or feel refreshed in a walk-in standing shower.

With its high quality marble flooring, gleaming countertops and aesthetically-designed space, feel comfortable attending to your hygienic needs while maximizing relaxation at its best.

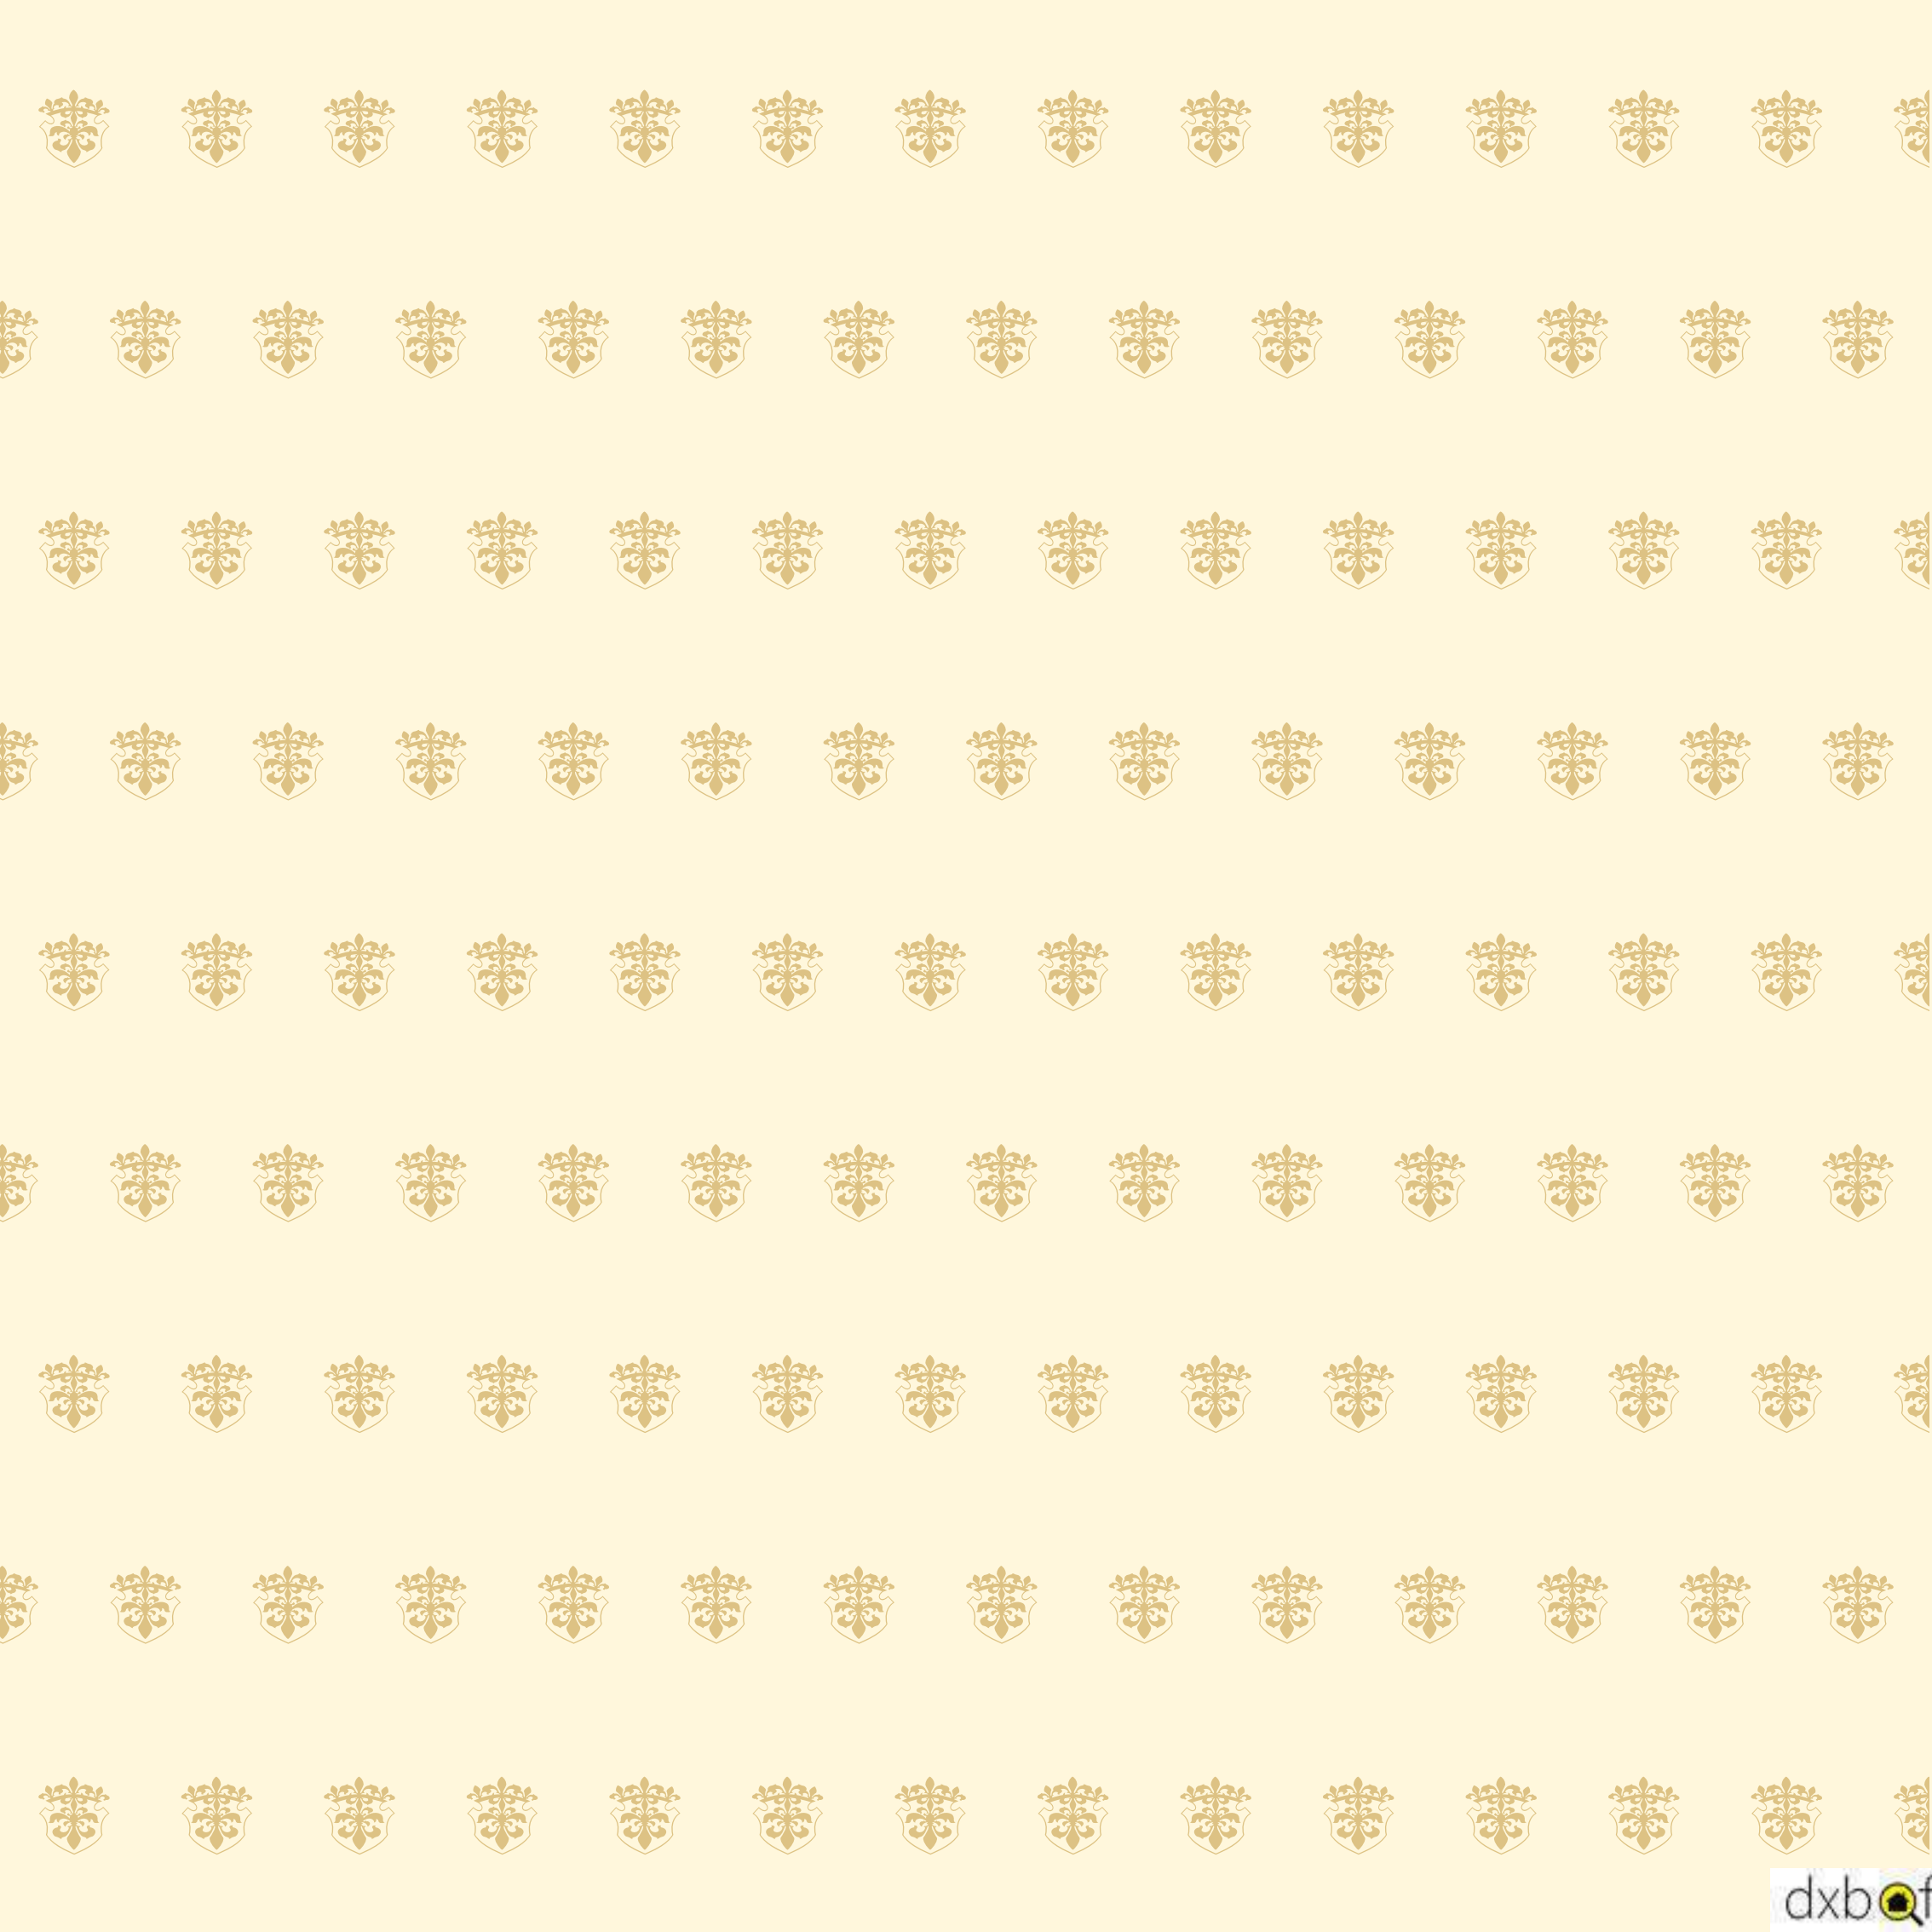

*"When we planned ACES Château, we thought that classics should never go out of style. Rather, they should be reinvented. Our passion for perfection has driven us forward, allowing us to create this wonderful real estate property that is bound to mesmerize the residential and investor's community alike."*
