DUBAI SOUTH

DISCOVER DUBAI'S FUTURE

Emaar South is located within Emirates' flagship urban project, Dubai South, the 145-square-kilometre smart city that is set to become a pivotal hub in the global economy.

Dubai South will be an engine of commerce powered by dynamic commercial zones, while its cosmopolitan flair and integrated residential communities make it the city of the future. It will be the site of landmark global events like the world Expo 2020 and the Dubai Airshow, and is located in close proximity to the Al Maktoum international Airport.
