THE FLOATING VENICE

Dwell in Serenity

## A Floating Luxury

The spectacular Floating Venice, will be the world's first five-star floating destination, bringing the charm, serenity and culture of Venice to the seas of Dubai.

Inspired by the historic water city, it will be the world's first luxury underwater vessel resort, offering both five-star accommodation and dining experiences above and below the water.

180 of the 411 bespoke cabins as well as restaurants, bars and boutique shops will be underwater offering guests remarkable views of passing gondolas above and coral reefs teeming with life below.

A woman with long brown hair is seen from the side, wearing a black one-piece swimsuit and a large, wide-brimmed straw hat with a dark blue ribbon. She is standing on a sandy beach, facing the ocean. The water is a light blue-green color with small waves. The sky above the horizon is a pale yellow or orange, suggesting either sunrise or sunset.

# Residences and Cabins

## Ca' d'Oro LUXURY CABINS

The left and right wings of the vessel are divided in sections each with a sea-soaked majlis as the ocean gently flows through. There are 4 levels, one under water and 3 above, plus rooftop pools and lounges with views towards the resort and looking out to sea.

Guests can choose to stay in underwater cabins with coral gardens, beach access cabins and upper level cabins with seaview.

## The Wonders of Venice

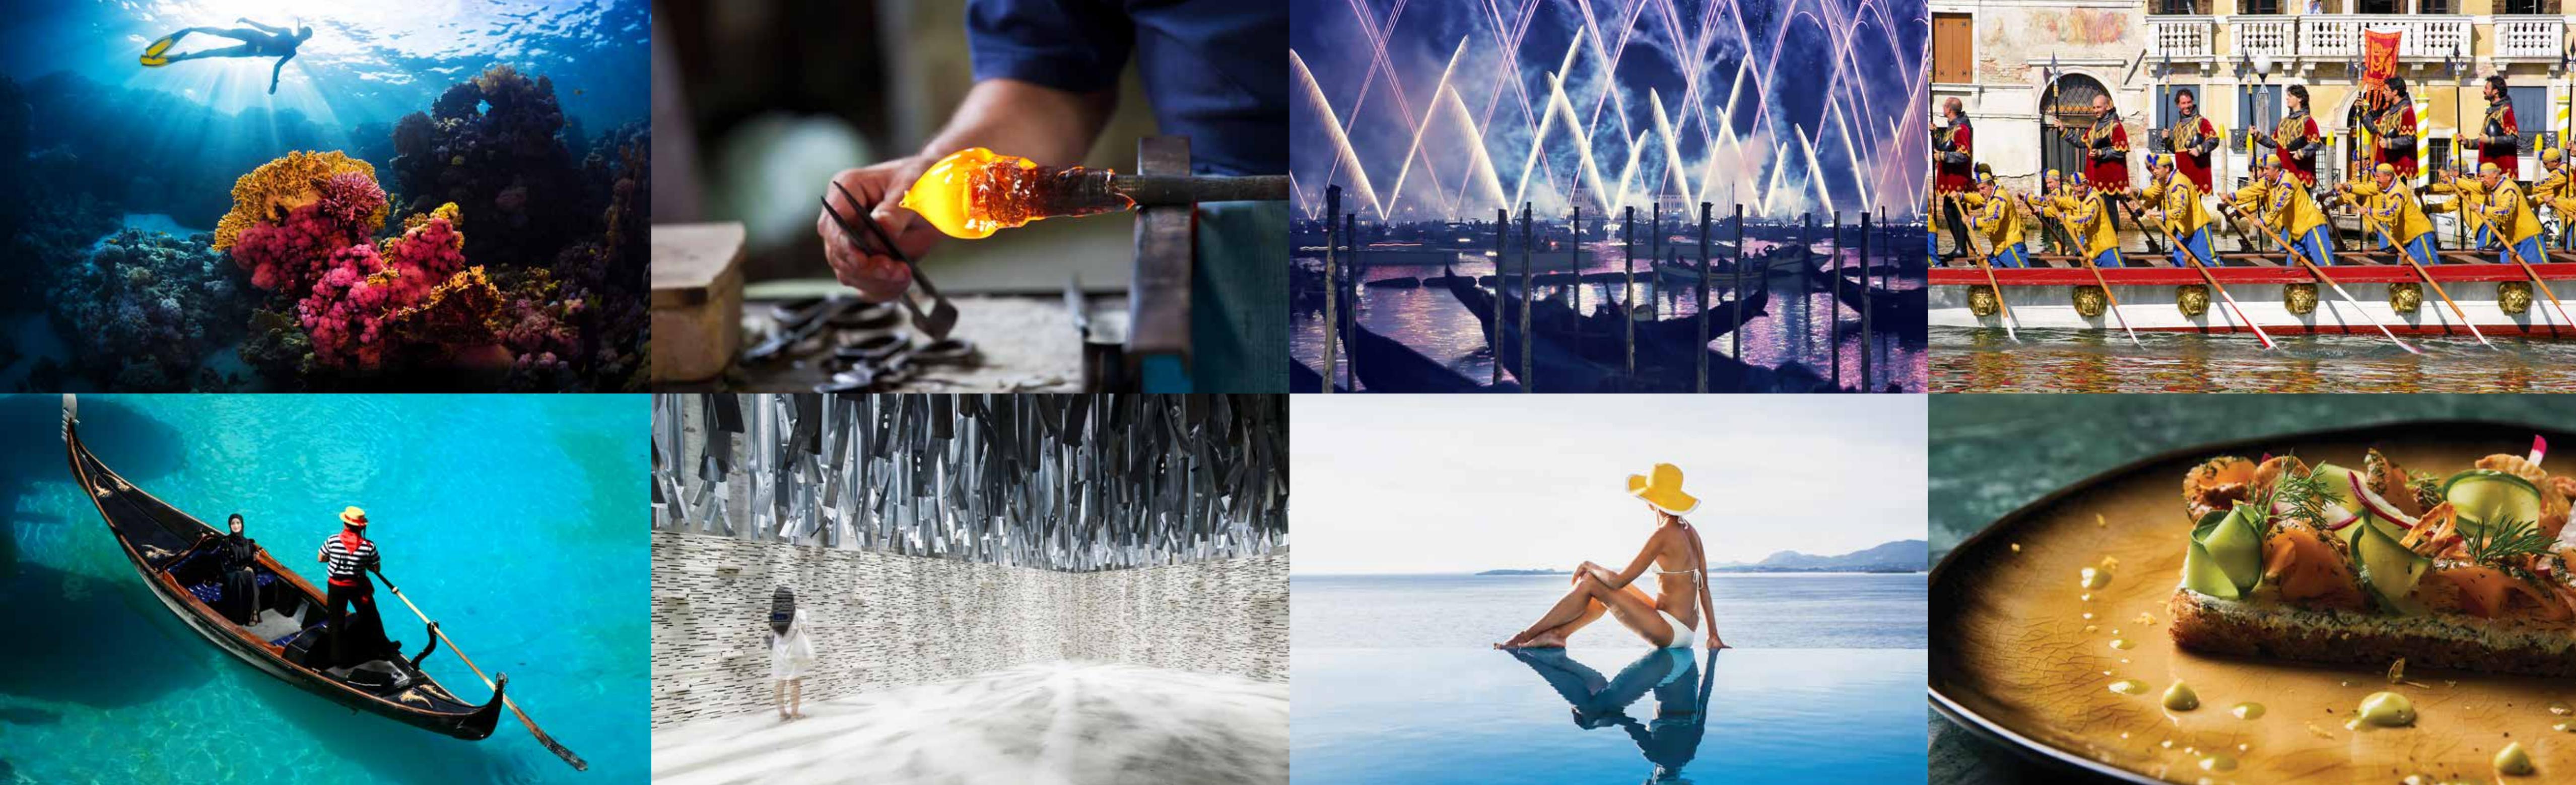

The Floating Venice, shaped like the famous Piazza San Marco, redefines living and recreational spaces beyond the conventional. Intertwining ancient Venice with new, guests will explore the floating island by gondola, taking in the modern architecture influenced by the Gothic and Renaissance styles, then soaking up the sunset views of the Dubai skyline from the pool before descending to another world of luxury underwater living, fine dining and entertainment.

Celebrate the magic of traditional Venetian festivals including Fest del Redentore, La Biennale di Venezia, Festival del Cinema and Regata Storica.

A vibrant underwater photograph of a coral reef. The left side of the frame is dominated by a large, healthy coral formation with various species, including red, pink, and green corals. A school of small, silvery fish swims in the upper right. In the lower right, a scuba diver in a blue tank and fins is swimming towards the left, creating a trail of bubbles. The water is a clear, deep teal.
