ihlas projects, outstanding quality, and perfect mastery

İhlas Yapi (ihlas for Constriction) For happiness and stability with quality and safety Then "Marmara Residence"
Which has been instrumental in bringing a touch of excellence to Istanbul real estate,Where these residences became edifices reflecting our ingenuity with quality and speed of completion, To be a comfortable and safe house for thousands of families.
Our start was with Marmara Residence Project, The seed of first happiness, Then our seed yielded and our project became a garden of happiness and welfare, Until we reached the prospects of excellence for the fourth time.
A special project came in the right place,But it was beyond expectations.
